BRIEF ABSTRACT OF LETTER.

Forwards for sanction an estimate amounting to Rs 534/- on account of the garden establishment for the maintenance of the Exhibition buildings at Mysore.

NOTES AND ORDERS.

This estimate is submitted ~~case~~ in pursuance of G.O. No. 4378-9/Agri 98-08-1 dt 5-1-09. The President states that Item c ~~exp~~ Contingent expenditure should be debited to the head "purchase of tools & sundries". But there is

no such head in the Budget Estimates submitted by him - most probably this item should be debited to the "upkeep of buildings for which a provision of Rs 2000/- has been made.

As regards items (A) & (B) of the estimate for the cost has been calculated for one year ~~from~~ from July 09 to June 1910 - But the sanction conveyed in the G.O referred to above for the maintenance of water cart will expire by the 2nd April 09 & of gardeners by the end of May - So the expenditure for these items till the end of June 1909 should also be sanctioned.

Submitted for orders.

CM. 9/1874.

There are 2 pairs already for the custody of the buildings. The 2 gardeners are employed certainly for the maintenance of the grass-plots. This by which is originally Rs 605 is now proposed to be raised to Rs 6 & they are to be made permanent. It is a question for consideration whether it is necessary to maintain 2 gardeners permanently. The pairs appointed for the custody

the buildings will not have much land. I may be expected to help in the work especially watering the grass-plots. One Gardener seems therefore to be enough. The expenditure on account of water supply has to be sanctioned as the grounds have to be watered by means of a watercart. The other items do not call for any remarks. 20/Br. 4

There is no financial objection to the employment of One Gardener on Rs 6. The other items of expenditure are contingent in their character and subject to budget allotment & the usual rules governing such charges, they may be incurred if authorised by the Administrative Dept.

for the custody of the buildings will not ordinarily have much work and one of them may be utilized, if necessary, in watering the grass-plots. They therefore consider one gardener at Rs 6 per mensem to be sufficient and are pleased to sanction his entertainment at Rs 6 per mensem. The other items mentioned in the margin are also sanctioned.

The entertainment of a gardener and the maintenance of a watercart till the end of the current official year will be sanctioned, the cost being met by reappropriation out of the budget grant of 1908-09 for Exhibitions and the necessary furniture will be made in future budgets.
